**Seattle Farm Co-op Membership Agreement**

I am applying for lifetime membership in Seattle Farm Co-op (SFC) under the conditions and policies stated in the Articles of Incorporation and Bylaws of SFC, as they may change from time to time by action of the membership or the Board of Directors.

I understand that a membership must be in the name of one individual only. I also understand that other persons living in my household may use my membership card to shop at SFC, but this

does not confer membership upon them.

I understand that I have many payment options for the membership fee. These include: Full payment; partial monthly payments until full amount is reached; partial payment and partial volunteer time.

**I choose: (Please check one):**

- Full Payment
- Partial Payment of \$25 with 6 volunteer hours
- Monthly payment plan of \$\_\_\_\_\_

I understand that my co-op benefits do not commence until my membership fee is paid in full according to the payment method I choose.

I understand that, except as provided by rules adopted by the Board of Directors, my membership is not transferable.

I understand that all payments to my membership account remain my sole property during my lifetime.

I understand that my membership shall terminate automatically upon my death and that at that time the balance in my membership account shall revert automatically to SFC.

I understand that I may resign this membership at any time during my lifetime, and that the membership account refund will be sent to me only, at least 90 days after resignation.

I agree that all debts owed by me to SFC older than 30 days may be charged, at SFC's option, against my membership account.
